

Red Oak High School Band

Corpus Christi Trip 2011

CHAPERONE Commitment Information/Form

- Approximately 10 parent sponsors will be needed (we can do a few more, but not a lot more). If we have a huge number sign up, we might have to limit the number a little (preference being given to senior parents, active booster parents, etc.). We need moms AND dads!
- We will only be doing parents who can go as a chaperone (i.e.—you can't just ride with the band to Corpus Christi as a personal trip). * If you want to make your own travel arrangements separately yet simultaneously with the band (i.e.—a personal vacation), see me and I can help point you in the right direction, but you will need to do tickets to meals and attractions on your own, and use your own transportation.
- Younger children of a chaperone cannot go with us on the trip. You will need to make arrangements for younger siblings while you are gone.
- Your responsibilities as a chaperone will include roll checks, room checks, keeping an eye on kids for general behavior, etc. Each chaperone is in charge of about 8-10 kids. You are required to be/travel with the band throughout the trip (i.e. – you can't take an evening off and visit family, sightsee, etc.)
- Total chaperone cost will be **\$275** (\$50 less than the students).
- Chaperones will need to follow the same payment schedule as students:
 - \$100 deposit with this form by January 26th
 - \$100 due on February 23
 - \$75 balance due on March 23
- Use THIS FORM and the \$100 deposit to sign up. Check HERE _____ if you have enough in your student's account to cover your deposit.
- If you have not already filled out a ROISD background check / volunteer form, you need to do one of these as well (with a copy of your drivers license)

"I agree to be a chaperone for the Red Oak Band's spring trip to Corpus Christi in April of 2011. I understand that I will be in charge of students/rooms for about 8-10 students, and that I'm expected to ride the bus and stay in the hotel with the band. I understand that my cost as a chaperone is a discounted rate of \$275—inclusive for the trip with the exception of lunches and personal expenses. I agree to make this deposit and the other 2 payments beyond the deposit according to the schedule indicated above."
