

ATTENTION PARENTS AND STUDENTS (AGE 16 & UP)

**The Texas Rangers season is upon us once again.
Opening day is April 1st!**

If you are interested in working at the ballpark this year, please either attend the information meeting on February 23, 2011, 5:15pm (*** in the Jazz room at the HS – please park in Lot C and enter through Door 6 on the north side instead of the band hall door*) or contact me personally. I know some of the students will not be able to attend due to the Wind Ensemble side-by-side with the Jr. High. I will be available to students the second week of March to answer questions.

We are in need of Managers this year and training is required for the position. The training will be held March 19th. Other training dates for TABC will be discussed in the meeting.

We will have our pizza stand again this year for all three months. We will also be adding the funnel cake stand for the month of June. The funnel cake stand will require more students.

Please contact me soon if you want to participate in this excellent fundraiser for band students. Training dates start as early as next week.

Thank you,

Karen Steiner
Rangers fundraiser chairperson
