

# FOUNDERS DAY PARADE INFORMATION - 2011

- If at all possible, take your instrument home Friday night so you won't have to deal trying to get in the band hall on Saturday morning (including drums, tubas, etc.)
- If that's impossible.....the band hall will be open ONLY from 8:00 a.m. to 8:20 a.m. to get instruments.
- Wear: khaki shorts, band polos
- Meet/drop off location and time: 8:30 a.m. in the front parking lot of the new junior high (in front of the gym). We will warm-up and review parade procedures at that time.
- The parade starts at 9:30 am; it will travel east on Louise Ritter, then north on Lowrance and enter the school parking lot, then go around the school (past the band field and around the front), past the ballfields, back out onto Louise Ritter and finish back where we started.
- Since the parade finishes back where we started, we have to wait about 15-20 minutes or so after we finish marching for the parade to completely finish (since Louise Ritter may still be blocked off). At that point, you will be dismissed and free to go home, go visit Founders Day, etc. Estimated "done" time for parent pick-ups: 10:30 a.m.
- Once Louise Ritter is clear again and the parade is done, the band hall will be opened once more for a few minutes to put instruments back away (or you can keep them at home and bring them up Monday morning). The band hall will ONLY be open for about 20-30 minutes immediately following the parade!!
