Red Oak Private Lesson Program Scholarship/Financial Aid Application Form

The information gathered in this form is strictly confidential and is only seen by necessary Band Directors.

Student Name _____ School _____

Grade in School _____ Your Band Director _____

Band Placement _____

Wind Ensemble, Symphonic, Concert, Beginner, etc.

Parent Name _____

If awarded, scholarship/financial aid for the 2008-2009 school year will be one-half scholarships only (i.e.--\$8.50 per lesson). In order to participate in the Scholarship Program, students are expected to be regular in lesson attendance and apply themselves in such a way as to show improvement from one lesson to the next. **If a student has an *unexcused absence* from a lesson, the parent is expected to pay for that lesson in full, which is \$17.00 per lesson.**

**** For anyone who receives a scholarship: the parent(s) must be willing to either participate in the fundraisers that the band does throughout the year and/or volunteer their time with some of the band events. Those fundraisers and events are how we raise money for the scholarships.*

Please provide the following information:

Was your child on scholarship in the last school year? _____

Briefly describe the circumstances that promote the need for scholarship/financial aid for your student. (not meaning to pry into personal lives, but these are primarily need-based scholarships and we need some guidance to be able to make selections)

I have read the above information about the fundraising/event requirements to receive a scholarship, and I have read and understand the unexcused absence policy.
